MINI
SWIMMING

How to find us

The pool is located at 20 Angora Business Park, Peartree Road, Stanway, CO3 0AB

What3Words: mixer.butter.vibe

The pool is on the same bank of business units as St Helena Hospice shops, Tool station and Halfords Autocentre.

The pool is located by entering through the main reception and there is plenty of parking on the business park and also a pushchair area. Once inside the building, the changing rooms are on your right.

The Class

Spectators: We do ask that spectators are kept to a minimum, siblings are welcome but we ask that 1 adult per child spectates the class. Please do not take photographs or film lessons - this is for safeguarding reasons.

We ask that you arrive no more than 7 minutes before your lesson; this is so that the cleaner has time to clean in between classes. The changing rooms at Stanway have 7 cubicles of different sizes and lockers (Lockers take £1 which is returned). Each changing room has a bench and a pull-down changing table.

Please try to remember to bring yourself a water bottle if you are spectating poolside can get warm - There is a water cooler for you to refill your bottle.

Please note that unless you are booked into parent & child class, you will not be allowed to get in the pool

Departure. We appreciate that getting dressed after swimming, particularly with a little one can be painful! We ask that, without being stressed about it, that you exit as soon as you can to allow for the area to be cleaned between sessions.

We can also offer private lessons if you would prefer. Please ask for details.

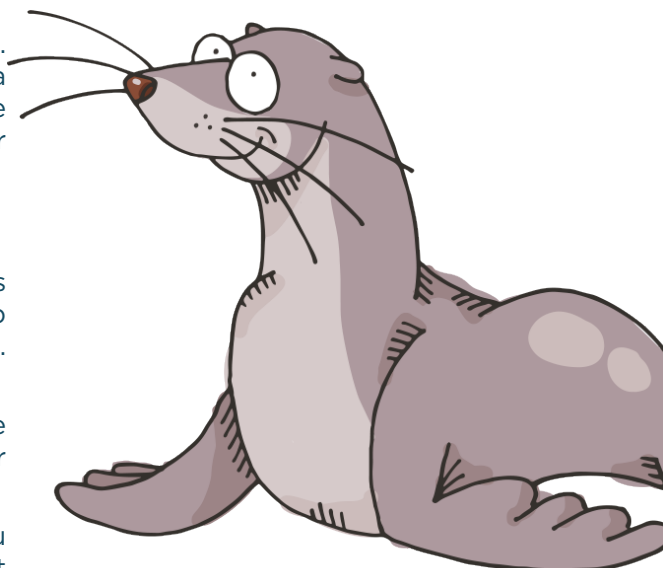

Goggles: Teachers and parents are forever adjusting goggles. Please ensure that your child can put their own goggles on (a swimming hat makes this a million times easier) and that they are fitted snugly once on. (A trick is to fit them in the bath when their hair is wet) so they aren't coming off.

Renewals and Payments

Your space is automatically saved until you have 2 or less weeks left on your account. You will get reminders to renew and top up your credits when you have 3 weeks left and again at 2 weeks. Should you wish to set up a monthly direct debit, let us know.

You will get an email shortly asking you to register for home portal for Course Pro. This is how you can renew and pay for more classes.

We also offer the option to pay by monthly direct debit, if you would prefer to pay this way, just contact the office who can set this up for you.

Equipment

We provide all equipment with the exception of goggles and swimming hats for 2yr olds and above. Little ones that aren't 100% accident-free we do insist that they wear a Happy Nappy as well as a disposable swim nappy. A Happy Nappy is manufactured by Splashabout and looks like a pair of shorts/swimming costume but is specially designed to be fitted across the tummy and around the legs and therefore preventing accidents escaping into the pool. A solid accident in the pool would result in a 48-hour closure so we do have to insist that everyone wears a Happy Nappy. For clarification, a swimming costume with built-in nappy from somewhere like Mothercare is not a suitable alternative. We sell a range of Happy Nappies at the pool for, we do also sell swimming hats, goggles, disposable swim nappies and more

www.miniswimming.co.uk/swim-shop

Items can only be collected from the Stanway Pool
(Colchester CO3 0AB) Mon - Sun 9:00 - 6:00

Happy Nappies

We require all children who are not 100% accident free to wear a Happy Nappy. This is a reusable swim nappy that looks like a pair of shorts/swimming costume but because it is designed to be fitted around the legs and tummy it doesn't allow anything that escapes a normal swim nappy to enter the pool. Unfortunately swimming costumes that have built in nappies or the disposable swim nappies aren't sufficient as they do leak and a leak would lead to a 48 hour pool closure. The nappies are made by Splashabout and we sell a range of them at the pool at a slight discount to the prices advertised on their website. If you would like to purchase one please arrive a few minutes early to give yourself time to look through. They cost from £10.99

You will need a disposable swim nappy underneath so you can at least dispose of the bulk of any soil rather than hand washing. .

Keeping in the loop!

We put a lot of updates and notifications on our Facebook page so please follow us for all the latest news, WOW moments, photos and more!
